The Volvo magazine

“We wanted to
push it *further..*”

Meet the new Volvo C30 and the Swedish design team who turned the volume up to 11. *Exclusive pictures inside*

**SABRINA BIGNAMI****ARCHITECT, PRATO**

Sabrina uses her beautiful 18th-century palazzo as a showroom of ideas to convince her conservative Italian clients that her style (mixing and matching old and new styles) works. Lively Prato is a perfect place to explore Florence and kick off a Tuscan touring holiday, and now Sabrina can offer a guest flat within her palazzo for hire (contact details at the end of this article).
